# Value of Dignity

“ There are many who feel hopeless that no one cares for them. This outreach is a helper for those people. I want to watch more of these programs for the aged increase. **Thank you for letting me know that we are not thrown away and not forgotten.** ”

“Without your generosity and caring, I would have secured a loan [to pay for the dental needs] and probably suffered longer until the loan came through. I hope to attend a wedding in July and **for the first time, I'll be able to smile big at the flower girl, my granddaughter. ”**
